

Favshop — Sample HR, Return & Terms Policies

Draft templates for a small Indian e-commerce business | Version 1.0 | 31 August 2026

Important: These are business-ready sample policies, not legal advice. Have an Indian employment/e-commerce lawyer review them before publishing or using them as binding contractual documents. Adapt them to your entity type, state, workforce, marketplace rules, GST position and applicable consumer/employment laws.

1. Sample HR Policy

1.1 Purpose

This policy establishes general workplace expectations for Favshop employees, consultants and authorised team members. It is intended to support a respectful, productive, safe and customer-focused workplace.

1.2 Working Hours & Attendance

Normal working hours will be communicated in the employee's offer letter or team schedule. Employees are expected to be punctual, maintain attendance records where required, and inform their manager as early as possible about unavoidable absence or delay. Operational teams may follow shift-based schedules.

1.3 Leave

Leave should normally be requested in advance through the company's designated process. Emergency or sick leave should be communicated as soon as reasonably possible. Leave eligibility, carry-forward, holidays and statutory benefits will be governed by the applicable law and the employee's employment terms.

1.4 Code of Conduct

Employees must act honestly, protect company and customer information, avoid conflicts of interest, treat colleagues and customers respectfully, and follow reasonable security, safety and operational instructions. Fraud, harassment, discrimination, theft, deliberate misuse of company systems, unauthorised disclosure of confidential information and serious misconduct may result in disciplinary action, subject to applicable law and due process.

1.5 Confidentiality & Data Protection

Customer data, supplier pricing, product research, passwords, source code, business plans and non-public financial information must be treated as confidential. Employees must access personal data only for legitimate business purposes and follow company security procedures.

1.6 Remote Work & Company Devices

Where remote work is permitted, employees must maintain a suitable working environment and protect company information. Company devices, credentials and accounts must not be shared without authorisation.

1.7 Performance & Disciplinary Process

Performance may be reviewed periodically against role expectations and agreed objectives. Depending on the circumstances, performance or conduct concerns may lead to coaching, written warnings, a performance-improvement process or other lawful action.

1.8 Grievances

Employees may raise workplace concerns with their manager, HR or the designated grievance contact. Complaints will be handled as confidentially as reasonably possible, subject to legal and operational requirements.

1.9 Policy Changes

Favshop may update internal policies when business, operational or legal requirements change. Employees will be informed of material changes through the company's normal communication channels.

2. Sample Return & Refund Policy

2.1 Scope

This sample policy applies to eligible physical products purchased through Favshop's own store. Marketplace orders placed on Amazon, Flipkart or another marketplace remain subject to that marketplace's applicable return/refund rules where those rules control the transaction.

2.2 Damaged / Wrong / Missing Item

If the customer receives a damaged, defective, materially different or incomplete item, the customer should contact support within the period stated on the product/order page and provide the order number plus clear photographs or video where reasonably requested. Favshop may arrange replacement, refund or another remedy after verification.

2.3 Change-of-Mind Returns

Change-of-mind returns may be accepted only for products specifically marked as returnable. Consumables, opened hygiene-sensitive products, personalised products and products that cannot reasonably be resold may be excluded where permitted by law and clearly disclosed before purchase.

2.4 Return Condition

Returned products should be unused where applicable, complete with accessories and packaging, and accompanied by the order details. Products showing misuse, alteration or damage caused after delivery may be rejected where legally permissible.

2.5 Refunds

Approved refunds will normally be processed to the original payment method or through the method available for the order. Processing time may depend on the payment provider or bank. Shipping charges, platform charges or other amounts will be handled according to the applicable order terms and law.

2.6 Non-returnable / Special Products

The final website policy should list exclusions product-by-product rather than relying on a broad statement. For devotional goods, pay particular attention to consumables such as incense, camphor, oils, wicks and opened puja materials.

2.7 Cancellation

Orders may be cancelled before dispatch where the order system permits cancellation. Once dispatched, cancellation may no longer be available and the customer may need to use the applicable return process.

2.8 Fraud / Abuse

Favshop may investigate unusual return patterns, suspected misuse, counterfeit claims or fraudulent requests and may take lawful action consistent with applicable consumer-protection requirements.

3. Sample Terms & Conditions

3.1 General

These terms govern use of the Favshop website and purchase of products offered through it. By using the website or placing an order, the customer agrees to the applicable terms, subject to rights that cannot lawfully be excluded.

3.2 Product Information

Favshop aims to keep product descriptions, images, prices, availability and specifications accurate. Minor differences may occur due to screen settings, packaging updates, manufacturing variations or supplier changes. Material inaccuracies will be addressed in accordance with applicable law.

3.3 Pricing & Orders

Prices may change before an order is placed. An order is subject to acceptance and availability. If an obvious pricing or listing error occurs, Favshop may contact the customer before fulfilment and provide an appropriate lawful remedy.

3.4 Payments

Payments must be made using the payment methods offered at checkout. Favshop does not ask customers to disclose card PINs, CVVs, passwords or one-time passwords through unofficial channels.

3.5 Shipping

Estimated delivery dates are indicative unless a guaranteed delivery commitment is expressly provided. Delivery may be affected by carrier delays, weather, public events, address issues or other circumstances outside reasonable control.

3.6 Intellectual Property

Favshop-owned logos, original graphics, text, product photography and website content may not be copied, reproduced or commercially exploited without permission. Third-party brands, trademarks and copyrighted materials remain the property of their respective owners.

3.7 User Accounts

Customers are responsible for keeping account credentials secure and for providing accurate information. Favshop may suspend or close accounts where permitted by law in cases of misuse, fraud or security risk.

3.8 Limitation & Compliance

Nothing in these terms is intended to remove or reduce any consumer right or legal protection that cannot be excluded under applicable law. Any limitation of liability should be reviewed by legal counsel before publication.

3.9 Governing Law & Disputes

The final version should specify the governing law, dispute-resolution mechanism and jurisdiction after legal review, taking into account applicable Indian consumer and e-commerce requirements.

3.10 Contact

Customer support: [support@yourdomain.com] | Phone: [phone] | Business address: [registered/business address]. Replace placeholders before publishing.

4. Recommended website policy set

For a live Favshop store, keep separate pages for: Privacy Policy • Shipping & Delivery • Return/Refund/Cancellation • Terms & Conditions • Contact/Grievance details • Cookie/consent information where applicable. Do not publish this draft unchanged without inserting your actual business details and having the final language reviewed.
